Most Common Conjunctions: and or but so for yet

Conjunctions we can use to “sequence events” (1st this happen, then this etc):
First At first At the beginning It started when To start After that After this
As soon as As a result Later on Then Meanwhile Next Finally In the end

Conjunctions we can use as “transition words” (link one thought with another thought):
Also Although because For example For instance However Even if
Even though Since In fact Instead Likewise Now of course On the other hand
Before That Until When Whenever Wherever Whether While
Otherwise Nevertheless Similarly So far Until now Still Besides Besides that
